

DIABETES CLINIC ANNOUNCEMENT

Dear Colleagues,

My name is Saumya Seidler and I am an endocrinologist practicing at the Polyclinic Family and Speciality Medicine facility, located at Dufferin and Finch.

In addition to my practice in general endocrinology, we have been working hard to expand our clinical services and are establishing a diabetes clinic.

Wait times are short and anticipated to be 2-4 weeks.

In addition to English, I am fluent in Hindi.

I will continue to welcome your referrals in general endocrinology.

Thank you in advance for the opportunity to care for our community together.

Please direct referrals to:

Dr. Saumya Seidler, Polyclinic Endocrinology
Endocrinology and Leadership Prevention Health
